# BANGALORE EMPIRE<sup>®</sup> RESTAURANT (L.L.C.) A Unit of Hotel Empire

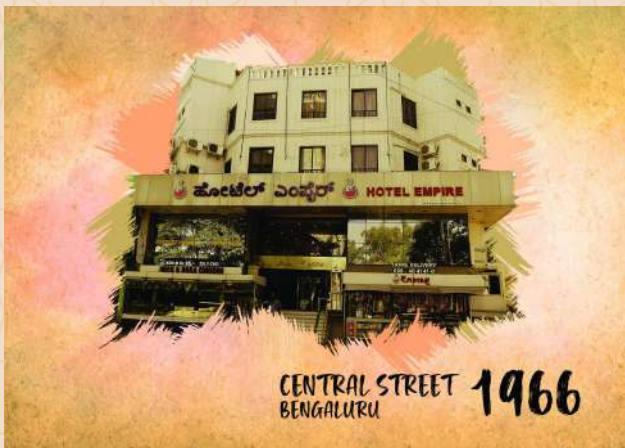

## SERVING DELICIOUS AND MOUTH-WATERING DISHES SINCE 1966!

Empire Restaurant Bangalore was started in Shivajinagar by Mr. Abdul Rahim Haji, a well-known non-resident Indian in Malaysia, in 1966. The restaurant became popular with the food-loving crowd of Bangalore, who appreciated the healthy and hygienic dishes it offered. In 1980, Mr. Abdul Rahim's second son, the late Abdul Haq, took over the restaurant and introduced many mouth-watering dishes. Mr. Abdul Azeez, the younger son of Abdul Rahim, joined his brother to help expand the Empire brand.

In 2007, the eldest son of the family, Mr. Mohamed Kunhi had joined the bandwagon after a long stint in several foreign countries. Over time, the Empire brand grew to include three hotels and one serviced apartment complex, with over 120 hotel rooms and 33 cozy serviced apartments. With a focus on consistency in quality and taste, Empire has a common theme across its 30+ outlets, using a 'central kitchen' concept.

Today, Empire is one of the leading restaurant chains in Bangalore, along with other popular brands like Karama, Vegetarea, Easybites, and Empire Juice. At Empire, they believe that the road to genuine happiness starts with delicious food, and they aim to provide a wide range of menus packed with toothsome delicacies that will pamper you with true flavors and unique hospitality.
